An Alaskan Tale

OUR ROOTS

Allen Marine, the parent company of Alaskan Dream Cruises, was established in 1967 when Bob and Betty Allen opened a shipyard in Sitka. Three years later they purchased and resurrected a sunken boat and outfitted it for sightseeing tours. The St. Michael (pictured above), as they would name the vessel, became the first in a long line of Allen Marine Tours boats.

While the company found success through its ingenuity and innovation, the most important ingredient was family. Bob and Betty's children and grandchildren worked beside them, cleaning, crewing, fixing, and skippering the vessels. Extraordinarily personal tours were characterized by a unique and charming family atmosphere.

In 2011, after over 40 years of providing day marine tours with a company that had spread throughout Southeast Alaska, the Allens launched Alaskan Dream Cruises. The new overnight cruise company allowed the family to showcase more remote wilderness areas, glacial fjords, fishing towns, and Alaska Native villages—all places they had grown to love through personal explorations and family connections. The Alaskan Dream Cruises of today is run by Bob and Betty's grandson.

THIRD GENERATION

Alaska Native Ownership

In 2025 & 2026, you can choose from 7 dynamic cruises, including two brand new experiences—the Wild Alaska Odyssey (pg 34) and Alaska's Ultimate Adventure (pg 32). Regardless of the itinerary you choose, you'll find an inviting family atmosphere, knowledgeable staff, and inspiring wilderness and cultural experiences. We're excited to welcome you aboard!

Sharing our HERITAGE

We're proud to be Alaska's only Alaska Native-owned cruise line. We deeply celebrate and honor our Tlingit heritage by crafting onboard educational experiences and shore excursions that share our culture, as well as the cultures of the Haida and Tsimshian peoples.

Most of our itineraries feature a call at an Alaska Native village, which are among the least-traveled destinations in Alaska. In fact, we have an exclusive partnership to visit the village of Kasaan. In these communities, many residents continue to subsist off the land and sea.

LIVING CULTURES

Tlingit, Haida, and Tsimshian.

While you'll have opportunities to enjoy several planned experiences, ranging from dance shows to artist demonstrations, you may also witness events unique to village life: a hunter's return after a successful seal or deer hunt, families working together to hang their harvest of sockeye salmon in a smokehouse, or a ceremonial potlatch.

During onboard presentations, you'll learn more about Alaska Native culture, including the fascinating history of our people, moieties and clans, and traditional art forms.

ACTIVE EXPLORATION

Our itineraries are designed to be active and hands-on. However, while some people choose to participate in everything offered, others prefer to relax on deck, taking in the scenery, reading a book, and sipping their favorite beverage. The choice is yours!

01

Expedition Craft

All our vessels carry kayaks, allowing guests the serenity of paddling in shallow-water areas devoid of engine noise. Listening to the blade of the paddle gently cut through the water, with eagles and other shorebirds calling in the background, is truly unforgettable. To ensure guests of all skill levels can enjoy this exciting activity, we've designed custom-built kayak launchers for easy and safe loading and unloading. Vessels also carry rigid-hulled ocean inflatables, affording easy access to remote shorelines. These craft are also fantastic platforms for wildlife viewing and expeditions in glacial fjords.

02

Hiking & Exploring

Hiking is an integral part of our itineraries. Special permits obtained from the United States Forest Service allow us access to stunning wilderness areas within the Tongass National Forest.* In addition, on every itinerary you'll have an opportunity to build a beach campfire, roast s'mores, swap stories, and enjoy the solitude. There's simply no better way to relax, de-stress, and connect with nature.

If you're looking for a higher level of activity, you may want to consider our new Alaska's Ultimate Adventure cruise, featured on pages 32-33. **Alaskan Dream Cruises is authorized by Special Use Permit to provide guiding & outfitting services in the Tongass National Forest.*

PREMIER WILDLIFE VIEWING

As pioneers of Alaska cruising, and after 50 years of operation, we've developed an unrivaled knowledge of the region's most abundant wildlife areas.

WHALES, BEARS, EAGLES, & MORE

Southeast Alaska is famous for its seasonal migration of humpback whales, which engage in almost constant feeding behaviors. Orcas, Steller sea lions, harbor seals, Dall's porpoises, harbor porpoises, and sea otters are also frequently spotted on our expeditions.

Our routes are designed to allow ample time for up-close encounters. If wildlife viewing is high on your list of priorities during your travels to Alaska, you'll discover the benefits of our local, insider knowledge.

Commonly sighted terrestrial animals include both brown and black bears, mountain goats, and Sitka black-tailed deer. Occasionally, wolf and moose are seen.

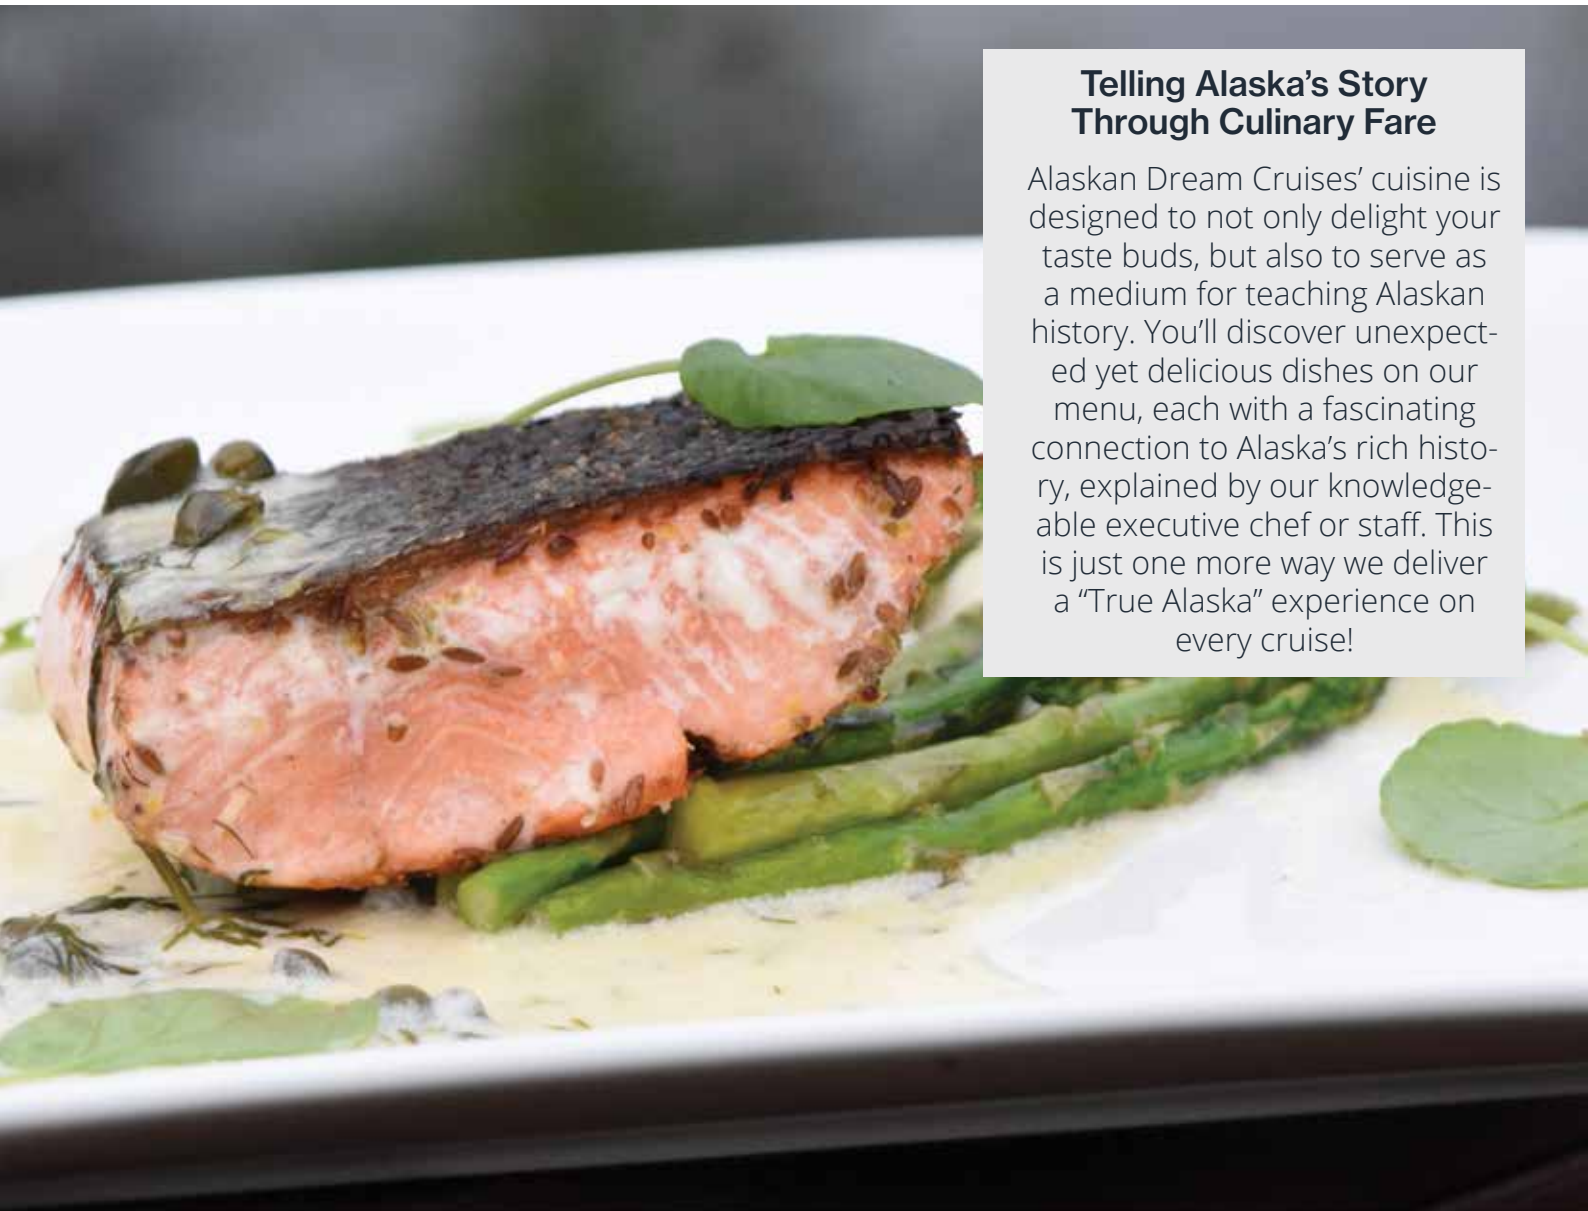

FRESH ALASKA CUISINE

Our culinary program is aimed at capturing the essence of Alaska and showcases locally sourced ingredients. We proudly place a strong emphasis on Alaska cuisine, featuring dishes like line-caught salmon, halibut, rockfish, crab, and more. This year features expanded menu options, including vegetarian choices.

Telling Alaska's Story Through Culinary Fare

Alaskan Dream Cruises' cuisine is designed to not only delight your taste buds, but also to serve as a medium for teaching Alaskan history. You'll discover unexpected yet delicious dishes on our menu, each with a fascinating connection to Alaska's rich history, explained by our knowledgeable executive chef or staff. This is just one more way we deliver a "True Alaska" experience on every cruise!

Crispy skin king salmon with lemon caper sauce over roasted asparagus.

01 Fresh baked breads, pastries & desserts.

After dinners, you'll have the opportunity to indulge in decadent desserts prepared by our onboard bakers. These talented crew members are also responsible for the delicious fresh-baked breads, pastries, and cookies served throughout the voyage.

Halibut Olympia - An Alaskan classic, with caramelized onions, dill cream, and crispy parmesan breading, served over sticky rice.

02 Alaskan beers and spirits.

Our full-service bars are staffed by knowledgeable bartenders ready to serve your favorite beverages or cocktails. If you are in a suite category, alcohol is included in your cruise fare.

Sumac Spiced Weathervane Scallops - Local, fresh scallops served with a blackberry agave sauce, sauteed kale, and lemon orzo.

REMOTE CAMPFIRE

Campfire

Remote Beach Campfire Experience

As an Alaska Native-owned company, we are constantly looking for ways you can experience Alaska like the locals. One of our favorite things to do is to stop off at a remote shoreline, build a beach campfire, roast s'mores, swap stories, and enjoy the solitude. There's simply no better way to relax, de-stress, and connect with nature (and friends and family)! So, we're now offering this experience on every Alaskan Dream Cruises sailing, depending on weather.

Get ready to smell the woodsmoke in the air, watch for eagles overhead, beachcomb, listen to the ocean gently lap on the shore, and indulge in roasted marshmallows while basking in the warmth of a glowing beach fire. While you watch the flames flicker and dance against a backdrop of mountains, islands, ocean, and forest, you'll think, "Now *THIS* is True Alaska!"

EXCLUSIVE LODGES

Select itineraries feature a relaxing evening at one of our company-owned lodges. Orca Point Lodge features stunning views from shore including scenic Stephens Passage and Admiralty Island National Monument. Sights from Fin Island Lodge include Sitka Sound and a network of beautiful rainforest islands.

Indulge in an Alaskan treat in the lodge, then nestle up to a cozy beachside fire to roast s'mores and share stories with fellow travelers. Enjoy easy beach access for a relaxing stroll next to the water's edge. Scan the ocean and shorelines of nearby islands through our binoculars, looking for eagles and marine life.

At Orca Point Lodge, peruse our beautiful gift shop featuring local art, salmon delicacies, and other Alaskan-made items.

Fin Island Lodge was constructed with locally sourced timber and completed in 2018. The building is often able to run entirely off energy provided by its rooftop solar panels. With walkable shorelines facing both north and south, guests have an opportunity to savor multiple viewpoints of "Sitka by the Sea."

S'mores!

Orca Point Lodge (pictured on the right) rests on Colt Island adjacent to Admiralty Island National Monument, also known as Kootznoowoo, meaning "Fortress of the Bears." Spotting scopes are available for an up-close view of the famed island from the deck of the lodge. Guests can also enjoy a marine life viewing tank filled with a wide array of intertidal zone sea creatures.

COMMUNITY

Stewards of Alaska - As an Alaska Native-owned company and small ship experts, we understand the important connection between a healthy Alaska and thriving communities and business. That's why we're committed to sustainable practices throughout our operations.

From reducing single-use plastics and minimizing our carbon footprint to sourcing local ingredients and supporting Alaska-made products, we strive to preserve the natural beauty we share with our guests.

This commitment extends to the delicious offerings aboard. When you indulge in our seafood, you can know it was caught locally using sustainable methods, like hook-and-line fishing, by Alaskan families. We proudly serve locally brewed beers from Sitka, our homeport, and actively seek out Alaskan-made products whenever possible.

We collaborate closely with tribal leaders and residents to ensure our visits have a positive impact, supporting local economies based on each community's terms and empowering rural communities to thrive within the visitor industry.

IMMERSE YOURSELF IN **TRUE ALASKA**

Every Alaskan Dream Cruises experience is hand-picked for its value in immersing you in True Alaska and each itinerary boasts a unique mix. Check out our itinerary pages beginning on page 26 for details on each destination.

The following are included in your passenger fare:

-

LIFE ABOARD OUR SMALL SHIPS

Prefer wildlife viewing over show tunes? Educational presentations over nightlife? Impromptu kayak paddles over the spa or casino? You've come to the right place. Our Sitka, Alaska-based company aims to immerse you in the local culture and sights of our backyard - what we've come to call the True Alaska.

Flexibility is Freedom: Our schedules are flexible, not rigid. This allows us to stop for wildlife encounters and adjust the day's plans for unforgettable experiences. Imagine spotting a pod of orcas in a quiet bay or a bear lumbering along the shore from afar; your captain will seize the opportunity for an unforgettable wildlife encounter.

Single A Category Room - Chichagof Dream

01 Relaxation Reigns

As an Alaskan-owned line, we boast a refreshingly relaxed vibe. Ditch the suits and gowns! Pack your favorite fleece, jeans, and adventure gear instead. Unless there is a navigational concern (i.e. running at night, in fog, ice, etc.) even our wheelhouse has an open-door policy, fostering a sense of camaraderie and shared adventure.

02 Cozy Comfort

There are trade-offs, and we make no secrets about them. Smaller ships mean less cabin space, public areas, and amenities. But the upside? An intimate environment where you'll truly connect with fellow passengers and our incredible crew, from wait staff to captain. Our staterooms feature a variety of category options. While naturally smaller than on larger ships, they're well-appointed with plush beds, fresh towels and linens, private heads with showers, and ocean-view windows. You'll even find Alaskan-made shampoos and soaps in your cabin! But with so much to explore, you won't spend much time here anyway—just a place for a comfortable night's sleep or nap between adventures. Our crew-to-guest ratio ensures personalized service throughout your journey.

1. Sitka

Welcome to beautiful Sitka, considered by many to be one of the most picturesque communities in The Last Frontier. Beautiful totem poles adorn public areas and the Sitka National Historical Park, while the famous St. Michael's Cathedral stands in the center of the downtown district. You'll be charmed by the island-studded waterfront, rugged mountain peaks of Baranof Island, and abundant bald eagles and marine life.

2. Chatham Strait & Lynn Canal

Voyage through Chatham Strait and Lynn Canal en route to the northern end of the Inside Passage. These areas are well known for some of the best wildlife viewing in the region. 3. Skagway

Stroll the boardwalks of the rollicking Klondike gold rush town of Skagway while enjoying its unique history. In the late 19th century, thousands of crazed gold seekers poured into the community en route to the Klondike. Wooden buildings, streets, and docks were constructed in mere months. Skagway was rambunctious, lawless, and tormented by a notorious con man named Soapy Smith. Today, historic businesses, frontier homes, and museums bring the spirit of the gold rush to life. Aboard the White Pass and Yukon Route railroad, you'll enjoy a journey retracing the steps of gold-seekers into Canada. Built in 1898, the railroad climbs nearly 3,000 feet in 20 miles and offers stunning wilderness views. This excursion crosses the border into Canada, so passports are required.

4. Wilderness Bay & Orca Point Lodge

Venture into one of the many intimate coves or inlets of the Chilkat Peninsula or Admiralty Island, such as Alaskan Dream Cruises' exclusive property at William Henry Bay. Enjoy kayak and skiff exploration in the heart of Alaska's wilderness. End the day's adventure with a relaxing evening at Orca Point Lodge, our own exclusive day lodge on Colt Island*. Enjoy the beautiful beach and a marine life viewing tank. Alaska crab and other delicious fare are served in the lodge, while s'mores are available at our beachside campfire.

*The lodge stop is subject to availability. If scheduling conflicts preclude the lodge, an alternative evening activity will be determined by your captain and guide staff.

Choose to extend your adventure with custom offerings such as a journey into Tracy Arm aboard a high-speed expedition vessel, a glacier helicopter landing and trek, and saltwater fishing for salmon or halibut. Or spend the day visiting highlights of the scenic capital city of Juneau. Tour the captivating Alaska State Museum, the area boasts a vibrant culinary scene with award-winning restaurants and food trucks, local breweries, and distilleries. You can delve into indigenous culture by exploring exhibits, art displays, and a clan house at the Walter Soboleff Center. Other options include the Alaska State Capitol, city museum, Mt.
