ATI INSIDER TOURS

Expanding on our philosophy of innovation, ATI has recently developed a new concept of tour that focuses on local experiences with a smaller group size (maximum 20 passengers). ATI's insider tours are a recent addition to ATI's portfolio where we bring the unique experiences of particular destination to life with local city experts who are able to share more off the beaten path and specialized experiences with the group given the smaller group size. Accommodations are city center to allow for easy access, we use deluxe transportation by sprinter or mini-coach and the pace is slower than a regular classic tour which allows for more time in destination. The tours will require an enhanced level of physical activity as focus is on local experiences and doing what locals do, we explore each city by either walking or in a smaller vehicle which provides more flexibility. The Insider Tours are more independent and curated concept than a traditional escorted tour.

ATI CLASSIC TOURS

Most of ATI's tours featured in the pages that follow are designed to showcase the best America has to offer at an incredible value. Our classic tours feature 3-4 star accommodations that are typically centrally located, enabling our passengers to enjoy the surrounding areas on their own. Classic tours showcase many of the essential aspects of the destinations they visit while also allowing for passengers to EXPERIENCE MORE by booking additional optional excursions, meals, or other attractions. Meals are typically not included in our tours in order to allow for more flexibility for our passengers, many of whom in our experience prefer to plan their own meals. Some tours offer a breakfast meal plan that can be added either at the time of booking or when you join the tour.

HONOLULU - ARRIVAL

Day 1: Upon arrival to the island of Oahu, known as “The Gathering Place”, you will be met and given a traditional flower lei greeting by the ATI Hawaii Local Representative, before transferring to world-famous Waikiki Beach, and your hotel.

Insider Tip: Meaning of the word ‘ALOHA’
A: Kindness expressed with tenderness. **L:** Unity expressed with harmony. **OLU’ OLU:** Agreeable, gentle, pleasant are one’s thoughts. **HA’A HA’A:** Humility expressed with modesty. **AHONUI A LANAKILA:** Patience expressed with perseverance.

HONOLULU

Day 2: This morning meet your ATI Local Representative and depart for a full day tour of Oahu. We first visit majestic Diamond Head. This extinct volcano is the backdrop to Waikiki Beach and offers superb views from the summit. We then visit the exclusive Kahala residential area where some of Hawaii’s most spectacular homes are to be found. You will pass by Lolani Palace, the King Kamehameha Statue, and the Governor’s Mansion. After lunch, travel to the scenic North Shore to see the dramatic coastline and some of the most revered surfing beaches of the State. Evening at Leisure. May we suggest dinner at the famous Duke’s restaurant (optional)?

Insider Tip: Do the ‘shaka sign’, the unmistakable pinky & thumb salute which is the ultimate symbol of Aloha and culture in Hawaii, which means ‘hang loose’ or ‘right on’. The shaka is a reminder in Hawaii that it is not the norm to worry or to rush.

HONOLULU - BIG ISLAND (KONA COAST)

Day 3: Time to explore Waikiki Beach on your own this morning before meeting your driver for the short transfer to Honolulu Airport for your brief flight to Kona, on the Big Island of Hawaii. Upon arrival in Kona, transfer to your hotel. Settle

in and perhaps take an evening stroll along the beautiful shore.

BIG ISLAND

Day 4: This morning embark on a tour of Volcanoes National Park. (Note: because this is an active volcano area, last minute diversions may be necessary for safety’s sake.) Drive down the slopes of Pele’s home, Kilauea, passing Ka Lae, the southernmost tip of the United States. Your Escorted Island Tour also takes you to the Kailua Kona area and its famed Royal Kona Coffee Museum where you will be able to taste Kona Coffee during your stop over. Insider Tip: One of the top ten things to do in your lifetime: Snorkel with the breathtaking manta rays at the world-famous “Manta Ray Village” outside of Keauhou Bay. Manta Rays are gentle giants of the sea with many residing along the Kona Coast. Harmless to humans, they are drawn to the spotlights that light up the night to eat plankton. These mesmerizing creatures gracefully glide within inches of the awe-struck snorkelers.

BIG ISLAND

Day 5: Enjoy a full day of the Hawaiian beaches and your resort hotel. You may additionally choose to take an optional evening tour to the summit of Mauna Kea for some of the best star gazing to be found. Hawaii’s Big Island is home to one of the most renowned astronomical sites on the planet. Perched high atop Maunakea, rising 4205 meters above sea level, 13 telescopes representing 11 countries are watching the heavens and making discoveries beyond our wildest imaginations.

Kauai's first settlers appeared in approximately the 4th or 5th century A.D. Centuries passed before Captain Cook found Kauai on his voyage to Alaska. Kauai's residents are proud of the fact that it was the only Hawaiian island never conquered by King Kamehameha's forces. Upon arrival, you will be transferred to your hotel. The remainder of the day is at leisure to enjoy the beaches and the unique lush beauty of Kauai. You may also choose to join us this evening on an optional sunset cruise along the stunning Na-Pali coastline. This rugged stretch of coast is accessible only by air or boat and has been the setting of many Hollywood movies over the years, including King Kong in 1976.

KAUAI

Day 7: Today we take a full day island tour. You will quickly understand why Kauai is nicknamed the Garden Isle. Celebrated for its brilliant emerald green tropical scenery, your tour will visit Bali Hai

and Hanalei Bay, made famous by the movie South Pacific, as well as the beautiful Waimea Canyon.

Insider Tip: Kauai is one of the oldest Hawaiian Islands, the high iron content of the volcanic soils has had plenty of time to oxidize. Go and get your Red Dirt shirt at the original outlet store on Kauai.

KAUAI - MAUI (KAANAPALI BEACH)

Day 8: This morning transfer to Lihue Airport for the short flight to Maui, the second largest island in the Hawaiian chain. Upon arrival you will be met and transferred to your hotel. The afternoon is at leisure. This evening enjoy an included sunset cruise from magnificent Kaanapali beach.

MAUI

Day 9: Today meet your Local Representative and visit tranquil Iao Valley, often cloaked in mystical fog, even when the rest of the island is bathed in bright sunlight. Here you will see the Iao Needle, a sharply pointed lava pinnacle rising 1,200 feet above the valley floor. Remainder of the day is yours to enjoy at leisure. We suggest a visit to Lahaina town for lunch or dinner and shopping along the waterfront.

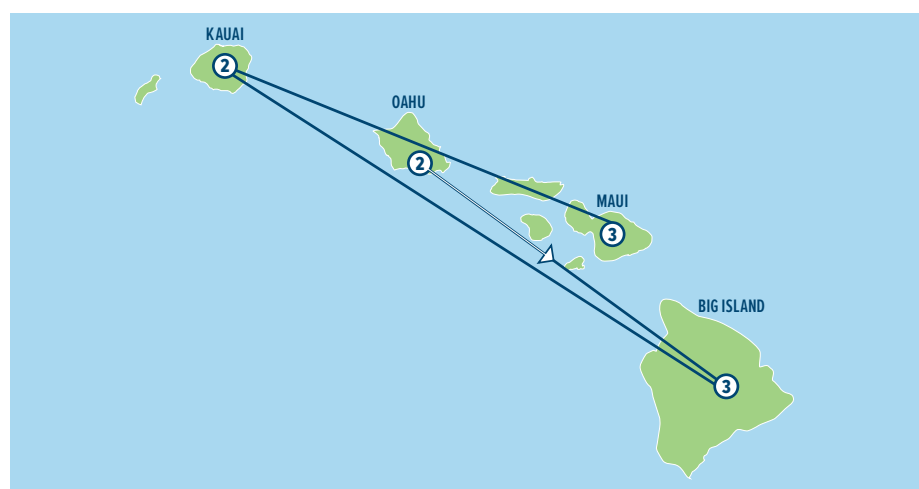

Insider Tip: You have become officially a 'local' if you can pronounce the Hawaiian state fish name: Humuhumunukunukuapua'a (humuhumu for short) was assigned as the official state fish of Hawaii "fish snorts like a pig" or fish with a pig snout."

MAUI

Day 10: Today is a full day at leisure to enjoy the beach, hotel grounds or nearby shopping and to reflect on your journey through the Islands.

MAUI - DEPARTURE

Day 11: Time to bid the Hawaiian Islands a fond farewell, your transfer to Kahului airport for your flight to the mainland will conclude your memorable stay.

THE AMERICAN SOUTH

ATLANTA - ARRIVAL

Day 1: Welcome to Atlanta, Georgia. During the Civil War, Atlanta was one of the most important Southern Cities as it provided war materials to the South. In 1864, General Sherman marched into Atlanta and burned the entire city. The city recovered from its losses and today is one of the most dynamic in the South, boasting a successful cultural and business hub. Transfer independently to your hotel where you will meet your ATI Tour Director.

ATLANTA

Day 2: This morning, enjoy a comprehensive city tour of Atlanta, including a visit to the boyhood home of Martin Luther King. You will also learn about another of Atlanta's most famous residents, Margaret Mitchell, who wrote the historical novel that became a masterpiece of American cinema, "Gone with the Wind." Visit the Road to Tara Museum and Stately Oaks Plantation, which was the inspiration for plantation in the film. You will have the opportunity to see memorabilia from the movie including costumes worn by the stars Clark Gable and Vivien Leigh. In the evening, enjoy a welcome reception which will give you the opportunity to meet your fellow travelers.

ATLANTA - AUGUSTA - CHARLESTON

Day 3: Leave Atlanta today and head west to Augusta. Augusta is the second oldest city in Georgia and is home to the prestigious Masters golf tournament. In the late afternoon, you will arrive in Charleston one of the most historic and charming cities of the South. For evening activities, you may wish to consult your Tour Director for the possibilities.

CHARLESTON - SAVANNAH

Day 4: In the morning, enjoy a locally guided tour of Charleston Walk the streets of Charleston's

preserved historic district, the best protected in the nation. Natural disasters, the Revolutionary War, and the Civil War all took their toll on this beautiful city, yet it stands out as a historic gem of the South. In the afternoon, you may wish to participate in an optional excursion to historic Boone Hall Plantation with its famous Avenue of Oaks. The property has appeared in numerous American movies, among them "North and South".

SAVANNAH

Day 5: Today, enjoy the charm of Savannah, once the world's largest cotton port. When cotton was king, Savannah controlled the prices of the world cotton market at her cotton exchange. Founder James Oglethorpe laid out the famed city squares. The Civil War destroyed a large portion of Georgia, but Savannah was spared. Numerous buildings around the tree-shaded squares are hundreds of years old; providing the setting for the popular novel "Midnight in the Garden of Good and Evil."

SAVANNAH - MONTGOMERY

Day 6: Set course west across the state of Georgia and into the heart of the Deep South, Alabama. Upon arrival in Montgomery, Alabama's capital city and a central backdrop of the American Civil Rights Movement, visit the Rosa Parks Library and Museum. Learn about the Montgomery Bus Boycott inspired by Parks, which ignited the Civil Rights movement and changed American history. You may also wish to visit the Dexter Avenue King Memorial Baptist Church, where Martin Luther King Jr. led the Boycott with his powerful sermons.

MONTGOMERY - SELMA - NEW ORLEANS

Day 7: Depart Montgomery this morning to discover Selma, Alabama, another centerpiece of the Civil Rights Movement. Visit the Edmund Pettis Bridge where the historic March from Selma to Montgomery began and where the brutal events

of Bloody Sunday took place. Experience another historic site of the Civil Rights Trail, the Brown Chapel AME Church before heading south through Mississippi to New Orleans, a city immersed in Creole culture. The city today is a unique blend of Spanish, French, Caribbean, African and Anglo-Saxon influences. This is obvious in the food, architecture and of course, the music. Experience this melting pot aboard a Riverboat Dinner Cruise (optional) and enjoy the rhythms of a Dixieland jazz band.

NEW ORLEANS

Day 8: The day is yours to explore the charm and excitement of one of America's most unique cities and for you to take in the French flavor & grandeur of New Orleans. May we suggest starting the day with a visit to a working plantation (optional). Explore the French Quarter with its trademark wrought iron balconies overlooking the narrow cobblestone streets.

NEW ORLEANS - BATON ROUGE - NATCHEZ

Day 9: This morning, we will travel to the capitol of Louisiana, Baton Rouge, and conduct a brief city tour. From there, we will travel via the historic Natchez Trace Parkway to Natchez. The parkway is a 444-mile drive through exceptional scenery and years of Native American and European history. Natchez is the oldest European settlement on the Mississippi River. Before the Civil War, wealthy plantation owners from Louisiana built magnificent Antebellum homes here because the area was considered safer from flooding. This afternoon, we will visit one of the homes and learn about the wealth of these 19th century millionaires.

NATCHEZ - MISSISSIPPI RIVER VALLEY - MEMPHIS

Day 10: Leave Natchez and drive on to Memphis, home of 'Sun Records'. As a large river port, it was one of the most important links in the cotton trade

before the Civil War. Memphis is also known as the "home of the blues." A brief city tour will take you to the city's liveliest street, Beale Street, where the blues and other types of music are played nightly in almost a dozen clubs. Travel along historic Front Street, known as Cotton Row in the days when cotton traders and merchants conducted business here. Of course, no visit to Memphis would be complete without a visit to Graceland, the home of Elvis Presley (optional).

MEMPHIS - NASHVILLE

Day 11: Continue on to Nashville, known as the capital of country music. The city earned its title with the very first airing of the WSM Barn Dance radio program, the forerunner of the Grand Ole Opry. The newly renovated Ryman Auditorium in downtown Nashville, once home of the Grand Ole Opry, the studios near Music Row, and Opryland itself attest to Nashville's reputation as the most important city in country music.

NASHVILLE

Day 12: Begin your day in this dynamic and thriving cultural and state capital of Tennessee with a morning city tour. While exploring the city's landmarks, perhaps you'll discover a new country

music classic before they even hit the charts while visiting one of the many recording studios around town. Perhaps enjoy dinner and a show in the evening as a optional excursion.

NASHVILLE - CHATTANOOGA - ATLANTA

Day 13: Leaving Music City, we head to Chattanooga, home to the famous Choo Choo and which has received national recognition for the renaissance of its beautiful downtown and redevelopment of its riverfront. In the afternoon, our trails lead us back to Atlanta where you may want to check our one of the sites you were not able to experience at the start of the tour like the Georgia Aquarium, World of Coca Cola, CNN Center.

ATLANTA - DEPARTURE

Day 14: Morning at your leisure before departure. Your ATI Tour Director will be available to assist you in arranging individual transfers to Atlanta International Airport or with sightseeing recommendation for the day should you want to enjoy this great city further. We hope you have had a memorable journey and look forward to you the opportunity to host your next visit to America.

ITINERARIES & HOTELS

ATI reserves the right to make changes with or without notice prior to or during the operation of the 2018/2024 programs due to operational, climatic conditions, or for any reasons beyond the control of ATI. Itinerary descriptions are guaranteed with the exception of unforeseen conditions which include, but are not limited to, road closures due to weather, acts of God, safety concerns, changes to highway legal restrictions, and acts by third parties beyond the control of ATI. For small groups, ATI reserves the right to operate the motorcoach tours using a minibus or van (without toilet) and a multilingual driver/guide. Many of ATI's Motorcoach tours in California during the summer months are routed via the Tioga Pass, (weather permitting). Normally the pass opens to traffic in late May, however, this is totally dependent upon the natural snow melt which has sometimes occurred as late as early July. When the Tioga Pass is closed, tours will overnight in Fresno or Visalia. When the Tioga Pass is open, accommodation will be at Mammoth Lakes. Optional experiences will be offered on ATI's escorted tours and can be booked through the tour guide once passengers have joined the tour.

Please note that due to logistics and operational needs, ATI requires at least 30 days from the opening of the Pass each season to amend tour routings from Fresno or Visalia to Mammoth Lakes. Travel through Death Valley is dependent upon climatic conditions. Should the maximum safe operational temperature for motorcoaches in Death Valley be exceeded, an alternate routing along the Eastern slopes of the Sierra Nevada may be chosen. Travel along portions of the Pacific Coast Highway (Route 1) is dependent upon climatic conditions and state mandated maximum vehicle size regulations. Should ATI deem the conditions to be unsafe for travel by motorcoach through the Big Sur peninsular or current regulations change, our tours may use alternative inland routes. Optional experiences will be offered on ATI's escorted tours and can be booked through the tour guide once passengers have joined the tour.

MINIMUM PARTICIPATION

Minimum participation on all motor coach tours is 20 passengers unless the tour is identified as a guaranteed operation tour. For non guaranteed departure dates, ATI reserves the right to cancel or operate the departure by van.

ESCORT & EQUIPMENT CHANGE

On the following tours a change of ATI Tour Director may take place for operational reasons: In Washington, D.C.: The Grand East, Eastern Discovery and Southern Explorer. On East-West Coast Tour Combinations including a domestic

flight, a change of escorts may take place between the East and West Coast. On the Eastern Discovery and Southern Explorer, the transfer between New York City and Washington, D.C. may occasionally be multilingual. On tours that transfer between Los Angeles and Las Vegas or the transfer may occasionally be multilingual. ATI also reserves the right to change equipment for operational reasons without prior notice.

LUGGAGE

Each passenger traveling on an ATI Tour Directed Motorcoach tour is allowed one piece of checked baggage per person due to space limitations. Additional luggage will be charged at \$7.00 per person per day. Due to the nature of this holiday, bags are handled many times, so a durable and clearly labeled bag is required. ATI will issue you a special ATI luggage tag which should remain on your customer's bag at all times to help ensure the bag is delivered to, and retrieved from, the hotel room at each destination. ATI does not assume liability for damaged or lost luggage. Passengers must, therefore, ensure that they have luggage that is reasonably sturdy. In addition, passengers should carry adequate travel insurance which also covers lost or damaged luggage. Special luggage restrictions may apply for ATI Air Tours, see tariff pages for details.

Airline baggage fees are not included in our airline or packaged rates where air is included. Please visit the air carrier website for additional details including baggage fees, restrictions, etc.

PASSENGERS NEEDING SPECIAL ASSISTANCE

Passengers must report any disability requiring special attention to ATI at the time the reservation is made. In compliance with the Americans With Disabilities Act (ADA), ATI will make reasonable efforts to accommodate the special needs of disabled travelers, but is not responsible in the event it is unable to do. ATI does not assume liability for any denial of services by carriers, hotels, restaurants or other independent suppliers. Passengers with disabilities must be accompanied by a companion capable of providing all assistance needed, and may not require special assistance from ATI personnel. Most transportation services, including the touring motorcoach, are not equipped with wheelchair ramps. Neither ATI personnel nor its suppliers may physically lift or assist passengers onto transportation vehicles. ATI regretfully advises that it cannot provide individual assistance to a tour member who has special mobility, dietary or other similar needs. AmericanTours International reserves the right to refuse to carry anyone whom at its sole discretion may require services and facilities that ATI cannot guarantee will be available during the tour.

EXCLUSIVE MOTORCOACH TOURS

All AmericanTours International motorcoach tours are available for exclusive groups. Please contact the ATI Special Groups Department for dates and prices.

ON REQUEST

ATI reserves the right to put specific departure dates for freesell Motorcoach or Flydrive tours on request. On request means, a tour is no longer available on freesell but confirmation from ATI is needed before the tour can be confirmed to the end consumer. This will be communicated through our tour status reports. All tours go on auto-request 30 days prior to arrival.

DOCUMENTS

All travelers are responsible for obtaining valid travel documents, complying with customs, regulations, obtaining insurance and for making themselves aware of and complying with the laws of place to which they are traveling. ATI is not responsible for any immigration charges, fees or penalties that may be imposed by the United States government or any other government agency or entity. Travel to Canada and the Caribbean from the U.S.A., and with plans to return to the U.S.A., requires a visa that allows multiple entrance. Each Caribbean island has its own visa stipulations. Please check with the embassy or consulate to see if a special visa is required.

FORCE MAJEURE CIRCUMSTANCES

Any failure to perform, delay, liability or damage shall be excused and ATI shall not be held responsible for the consequences of Acts of God, labor disputes, civil commotions, fire, weather conditions, theft, unavoidable accidents, war, terrorism, threatened acts of terrorism, acts of state or agencies thereof, or any other circumstance

beyond the control of ATI. ATI shall not be liable should it be required to change an itinerary or individual booking, hotel accommodation or other services necessary for the safety and continuation of any tour or passenger or due to unforeseen circumstances beyond the control of ATI. ATI reserves the right to modify or change any published rate where changes or modifications to the tour itinerary and/or accommodations have been made to the reserved itinerary that are required by any entities beyond ATI's ownership or control. ATI shall not be held responsible for any error, omission, or deletion of any material in the Tariff by ATI or any third party. NOTICE ATI does not manage, control or operate any transportation vehicle, hotel or any other supplier of services, and therefore assumes no responsibility and shall not be liable for injury, loss or damage, accident, delay or irregularity which may be caused through any defect in any vehicle or through the acts or omissions of any company or person engaged in supplying products or services. ATI recommends that all passengers be required to purchase comprehensive travel insurance, including medical and air evacuation prior to departure. ATI's liability, should it be found responsible by a court of competent jurisdiction, is limited to a refund of services purchased through ATI. Complimentary services offered by some of the hotels may be discontinued at any time at the hotel's discretion. ATI is not responsible for cancellation of such services.

ALTITUDE & CLIMATE

The diverse nature of the terrain in the United States creates magnificent scenery and at the same time provides days when passengers will travel through varying altitudes, from below sea level to more than 10,000 feet (3,058 meters) above sea level. It is the responsibility of passengers to seek advice from their doctor regarding the effects of altitude and advise ATI prior to departure of any such limitations. Passengers who, for medical reasons, have limitations on altitude will be responsible for any costs incurred if they are required to alter their personal itinerary. Passengers should also be informed that these varied terrains also provide a diversity of climates that can change quite quickly as they travel from desert to mountain areas often within the same day.

IF YOU HAVE A COMPLAINT

We do our best to give your customers an enjoyable trouble free holiday; but, occasionally, even the best laid plans can go wrong. If your customers have a problem during their holiday, they are required to immediately inform the relevant supplier (e.g. hotel) and ATI. Our ATI Tour Director/ Representative will then endeavor to put things right (in any event, not later than 24 hours). If the complaint is not completely resolved locally, we are required to obtain communication from you within 28 days of completion of services by writing to our Customer Services Department, giving your original booking reference number and all other relevant information. Please note that ATI in no case is able to respond directly to passengers post travel and all post travel communication is required to flow through you, their booking Agency. It is therefore essential that you provide your customers with ATI's toll free and regular phone numbers. It is therefore a condition to the purchase of travel services from ATI that your customers communicate any problem to the supplier of the services in question and to ATI while in resort. Please make sure that all passengers are fully aware of this policy and are provided with ATI's contact numbers in their documents prior to departure. If your customers fail to follow this procedure, we cannot accept responsibility as we have not been given the opportunity to investigate and rectify the problem.

CUSTOMER FEEDBACK

ATI Tour Directors provide each passenger with a comment sheet and welcome all responses.
