CELEBRATING SMALL GROUP TOURING
27
YEARS

Our Experience

We've been around since 1997 and so we know the ropes and all the small things that help to make a tour great. When you book with us you have the peace of mind of knowing that we operate our own group tours - we hire our own guides and operate using our own vehicles and so we control our tour quality. We know every town we stop in like the back of our hand. This means we know the best places to stay, the best places to eat, and the best places to go in your free time.

Quality and Value for Money

At every step of the way we aim to offer you great value for money. We have worked hard to get all of the ingredients that make up a great tour just right so that you have the best possible experience. All year round we check the quality of our suppliers, and we take a continuous improvement approach to all that we do, and constantly refine our itineraries and suppliers based on guest feedback.

Small Groups

We believe that you can't really get to know a country if you are travelling in a really large group, and so our groups (with the exception of ANZAC Day tours) have a maximum size of 20 people. This gives you more flexibility when travelling, and more chances to learn more about local culture and traditions.

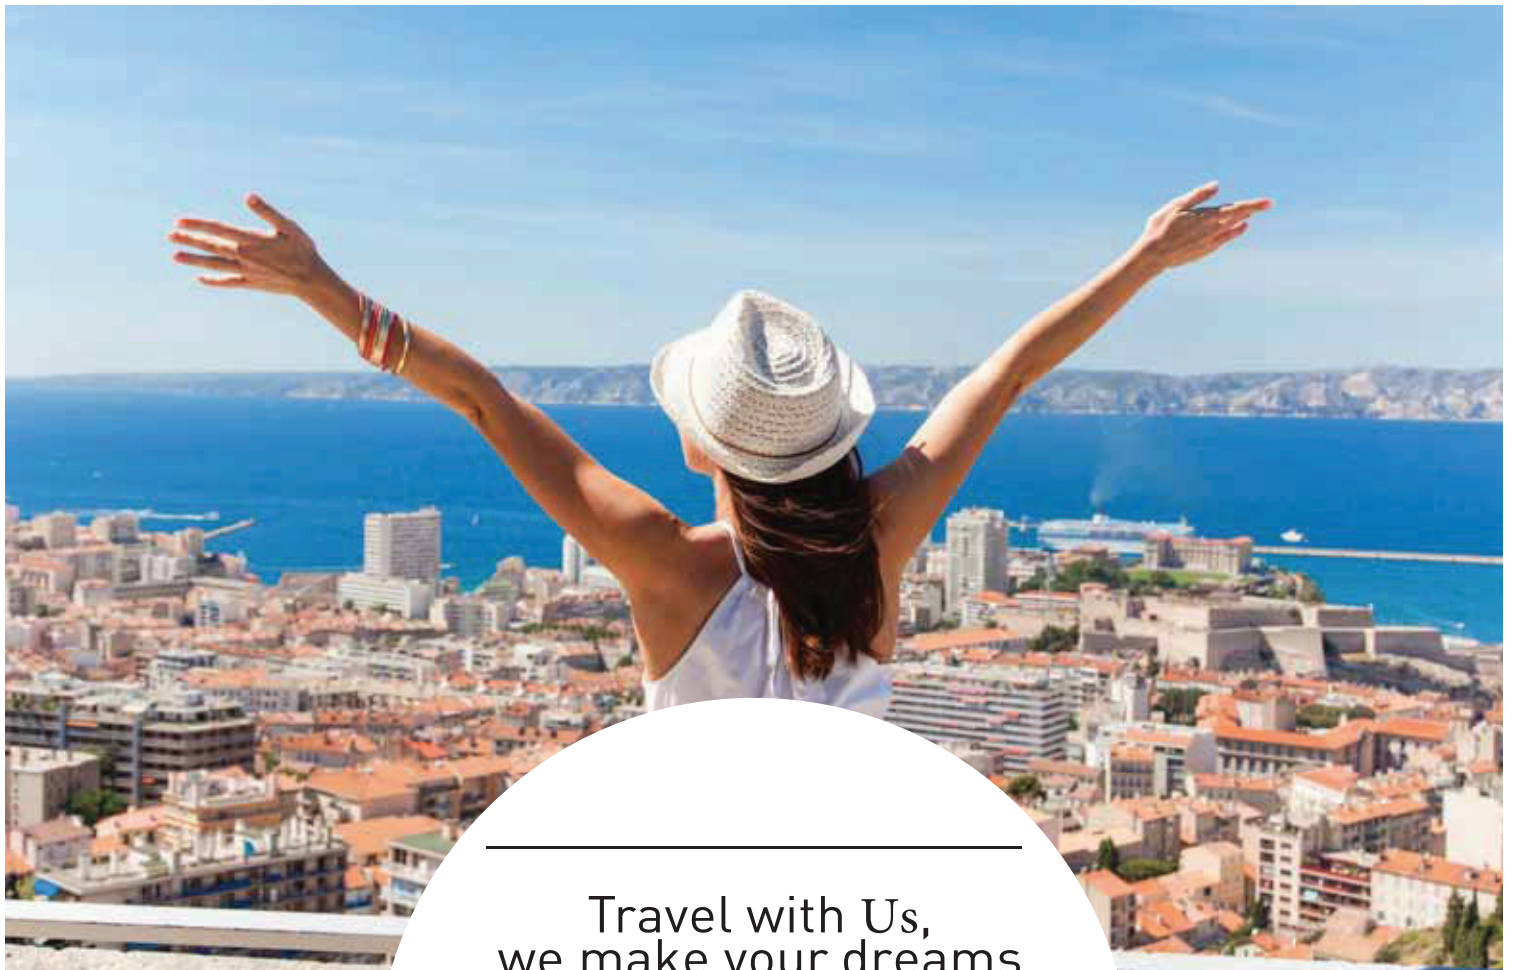

Guaranteed departures

Our tours are guaranteed to depart, this means that they will depart regardless of how many people are booked. We don't cancel after you have booked and leave you with non-refundable flight tickets!

Travel with Us,
we make your dreams
come true...

You imagine it,
day dream about it,
envision it – we make
it happen

Our team

From our tour guides to our drivers and operation staff, we believe a good team is the key to a great tour. We employ a mix of staff who all love to travel, and who have broad experience across all aspects of the travel industry. We also invest in continuously developing our people. We have a large team on the ground to support our operations. The success of Fez is a direct result of the loyalty and dedication that our team has demonstrated over the years.

Our guides

We know that your tour guide is the difference between a good and a great trip, and so we carefully select our guides for their passion and knowledge and continually provide them with professional development. All of our guides have studied subjects such as archaeology, history and mythology at university and are passionate about showing their country to visitors

Our vehicles

Unlike many tour operators, the bulk of our tours are operated using our own fleet of vehicles. This is because safety is important to us and so we prefer to directly manage the maintenance of our vehicles and the training of our drivers. Our fleet is modern, with our oldest vehicle being just 2 years old. If your group is up to 12 people, your vehicle is most likely to be a comfortable mini-bus such as a Mercedes Sprinter. For groups larger than this we move to a full size coach so there is plenty of room for you to spread out and enjoy your trip.

Our hotels

We have a vast range of hotels that have been carefully handpicked by our team, and we review these all year round to ensure they continue to provide our guests with a comfortable stay. While the bulk of our range are moderate 4 star hotels or an equivalent standard we always try to strike the perfect balance between location, comfort and character. In tours we emphasise more on character and traditional style hotels, and wherever possible we prefer to support family-run

They will recommend sites and activities in each destination, and work with you to design a program that will help you get the most out of every day of your trip. Why choose a tailor-made program? Maybe use the following 'Day Tours and Short Tours' to get some ideas or as a basis for your Tailor Made itinerary.

• 100% LOCAL EXPERIENCE

The services in each destination will be provided by locals who know the place like the back of their hand. In the major locations in Turkey - Kusadasi (Ephesus), Pamukkale, Gallipoli, Troy, Cappadocia, Istanbul and Sinop our branch offices will operate the services, so you have the peace of mind of Fez vehicles, Fez guides and Fez staff. In other locations we put you in the hands of experienced local experts.

• SMALL GROUP BASIS

In each location you visit on your Tailor Made Tour we guarantee that you will travel only in small groups with a maximum of 14 people per vehicle.

• CHOOSE YOUR START DATE

Because Tailor Made packages are designed just for you, you can choose the start date of your trip.

Day 1 Sunday Amman

Welcome to Jordan! Upon arrival our staff will meet you at the airport and transfer you to your hotel in Amman for the start of your trip. After helping you check in and pointing you to any local shops, cafes or restaurants, you're free to explore Amman independently before our sightseeing starts tomorrow. Overnight Amman

Day 2 Monday As-Salt, Baptism Site at Bethany

The tour begins with a visit to As-Salt, situated about 40 minutes from Amman. As-Salt, a historic hilltop town, was a crucial trading hub and former capital. Renowned for its Islamic architecture using yellow limestone, the town preserves numerous remarkable buildings and narrow streets bustling with shops. As-Salt epitomizes religious and cultural harmony between its Muslim and Christian communities. Exploring the "Harmony Trail" unveils insights into local life and Jordanian culture. A local family hosts a delightful lunch, offering a taste of Jordan's cuisine, although larger groups might experience traditional Jordanian food at a local restaurant instead. Post-lunch, the tour descends to the Baptism Site at Bethany, a newly excavated historical site believed to be 'Bethany-beyond-the-Jordan,' where John baptized Jesus Christ. This site holds significance with its Roman and Byzantine period churches, caves, and pools. Notably, it's been visited by Pope John Paul II and Pope Benedict XVI. An electric minibus provides access to three key sites: Tell Mar Elias, the Baptism Pools, and John the Baptist's Church. After a busy first day, we'll return to our hotel in Amman where we'll spend the night. Overnight Amman [B, L]

Day 3 Tuesday Amman, Jerash

We start our Jordan tour today with a drive north for a visit of Jerash, one of the largest and best preserved Roman sites outside of Italy. It is an excellent example of Roman architecture including paved and colonnaded streets, hilltop temples, amphitheatres, spacious public squares and plazas, bathhouses, fountains and a city wall pierced by towers and gates. In the afternoon was have a city tour of Amman. We'll make our way to the Citadel - the former home of the ancient Temple of Hercules, The Umayyad Palace, the Byzantine Church before we make our way to the 6000 seater Roman theatre, which was built during the Roman Period, when the city was known as Philadelphia. The ancient theatre is still in use today, playing host to numerous cultural events. Overnight Amman

Day 4 Wednesday Madaba, Mt. Nebo, Kerak Castle

We depart Amman for a scenic drive along the King's Highway to Petra, crossing deep Wadis, including the majestic Wadi al-Mujib, olive groves, and driving through remote rural villages. En-route we see the Roman mosaics at the Greek Orthodox Church of St. George in Madaba, enjoy great views of Israel from Mt. Nebo, and visit Kerak Castle, one in a chain of Crusader fortresses built across Jordan in the 12th Century. Overnight Petra [B]

Day 5 Thursday Petra, Wadi Rum Bedouin camp

Explore Petra, an ancient Nabatean capital rediscovered in 1812 within the Wadi Aruba desert. Entry is through the narrow Siq, a passage amidst canyon walls. Admire rock-carved structures like the Khazneh (Treasury) during a guided tour and independent exploration. The Siq, rising 200 meters, reveals remnants of ancient water channels. Wander past tombs, a Roman amphitheater, and ascend to the 'Monastery' for panoramic views. Expect substantial walking, minimum 3km through the Siq, 8km to the main basin, and extra kilometers for the Monastery, involving 800 steps. Horse carriages ease travel; donkeys aid the Monastery ascent. Later, enjoy Wadi Rum's desert scenery at a welcoming camp hosted by Bedouins. Relax, stargaze, and savor traditional Jordanian cuisine, capping off a day of historical immersion and natural wonder. Overnight Wadi Rum [B, D]

Day 6 Friday Wadi Rum Jeep Safari, Dead Sea Swim

Commencing the day, we immerse ourselves in the captivating desert and mountain vistas of Wadi Rum. Embarking on a jeep safari, we traverse the stunning desert landscapes, encountering sheer cliffs and intriguing rock formations. Later, bidding adieu to Wadi Rum, our journey heads northward toward the Dead Sea, a globally acclaimed wonder. Being Earth's lowest point at 400 meters below sea level, this area boasts unparalleled spiritual landscapes and natural marvels. Nourished by various rivers, notably the River Jordan, the Dead Sea's unique land-locked nature causes water evaporation, leaving behind a concentrated blend of salts and minerals. The surrounding mountains and Jerusalem's rolling hills create an almost surreal ambiance, while historical records suggest it was once home to five Biblical cities, Sodom, Gomorrah, Adman, Zebouin and Zoar (Bela). Our stopover includes an experience in the sea's intensely salty waters, making traditional swimming impossible. Instead, floating, whether sitting or lying, is the preferred and visually stunning method. Overnight Amman [B]

Day 7 Saturday Desert Castles, Aqraq Wetland Reserve, Shaumari Wildlife Reserve

Following breakfast, we depart Amman to explore Jordan's Desert Castles, remnants reflecting early Islamic art along Umayyad trade routes. These 'castles', more akin to forts, bathhouses, and palaces, showcase mosaics, frescoes, and carvings influenced by Persian and Graeco-Roman traditions, offering glimpses into 8th-century life. Our itinerary includes Qasr al-Kharrana, Qal'at al-Azraq, and Qseirr Amra, followed by visits to vital nature reserves managed by the Jordanian Royal Society for the Conservation of Nature (RSCN). The Aqraq Wetland Reserve, an oasis nestled in the eastern desert, hosts lush marshland and pools, a haven for migratory birds. Meanwhile, the Shaumari Wildlife Reserve, initially established for the Arabian Oryx, now shelters rare species like Ostriches, Goitered Gazelles, and Persian Onagers, alongside diverse wildlife. An option for guided safaris into the reserve before our return to Amman might be available. For a final evening, Downtown Amman offers a taste of Jordanian cuisine, perhaps Mansaf, falafel with hummus, and the delectable dessert Knafeh, a fitting end to our Jordanian experience. Day 6 Thursday Petra

Today's focus is on discovering Petra, once the Nabataean commercial empire's capital until Roman conquest in 106AD. Forgotten for centuries, Swiss explorer Johann Ludwig Burckhardt rediscovered this city in 1812. Situated on the edge of Wadi Aruba's desert, Petra's intricate carved sandstone dwellings lie amidst challenging canyon walls and hills accessible only via the Siq, a narrow rock cleft. Our exploration entails a back-route adventure, commencing at Little Petra before a short jeep ride to the mountain trail connecting Little Petra to Petra's main site, offering fewer crowds and stunning Holy Land views. This less traveled path includes monuments from the standard route, plus Little Petra and the Monastery, featuring rock hewn steps and paths along the mountainside, providing refreshment stops and photo opportunities. Upon entering Petra, the valley reveals carved tombs, a ruined Roman amphitheater, and colonnaded streets leading to the iconic Khazneh (Treasury). Although the back route hike involves ascents, descents, and steps, lasting 2-3 hours towards the Monastery and additional hours exploring Petra, it's not overly challenging. For those concerned about distance or mobility, 20JD horse carriages are available solely within Petra's main site, not on the hiking route, horses for riding are not recommended. Overnight Petra (B)
